Suncamper motorhomes

SINCE 1977 · AUSTRALIAN MADE · BUILT IN SYDNEY

GAS TESTING

A testing workspace for the field.

A fitted laboratory on a van, so testing and inspection can happen on site. Benches, storage and power are laid out around the work you do, then built at our Sydney factory and handed over.

FITTED AROUND THE TEST

- Work benches
- Cylinder racks
- Desk
- External power inlet

For testing programmes, inspection teams and field operations.
