

MOBILE SHOWROOM • ELSON PLUMBING

Elson, on the road.

A full-wrap mobile showroom built for Elson Plumbing to take its product range to customers. We agreed the display brief first, then built the fitout at our Sydney factory and handed it over ready to work.

WHAT WE BUILT

- Full branded vehicle wrap
- Demo bench with drawer storage
- Built-in seating
- Lit product display walls
- Wall screen for presentations
- Roof hatches and ventilation

Built around the products they show, so they could get going.
