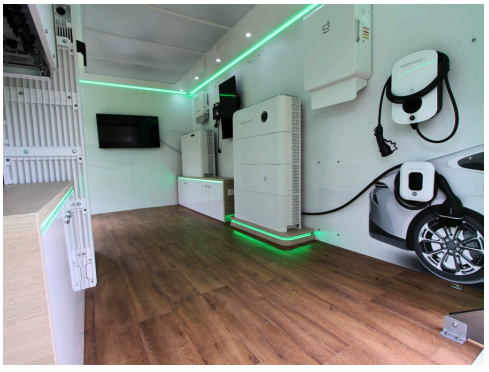
MOBILE SHOWROOM · SIGENERGY

Sigenergy on Tour.

A mobile showroom built for Sigenergy to show its SigenStor energy range at sites and events. The side wall folds out with steps, and the fitout puts batteries, inverters and EV chargers on display.



WHAT WE BUILT

- Fold-out side wall with steps
- Battery and inverter displays
- Colour-changing LED lighting
- Branded SigenStor wrap
- EV charger demonstration
- Onboard battery and power bay

Built around the products they show, so they could get going.
