

MOBILE SHOWROOMS

A showroom that travels to your customers.

A display vehicle for client sites, expos or launches, built to your brief as a working display space. We design the fitout around the products you show, build it at our Sydney factory and hand it over.

FITTED TO YOUR DISPLAY BRIEF

- Display walls
- Demo benches
- Power systems, with a generator as an option
- Product shelving
- Screens and lighting
- Branding-ready exterior panels

For trade brands, product launches, events, roadshows and dealer networks.
