

SUNCAMPER COMMERCIAL

We build the vehicle. You get going.

Showrooms, offices, clinics and specialty vehicles for operators, agencies and brands.

The layout is agreed first, then built at our Sydney factory and handed over ready to work.

Mobile Showrooms

Display vehicles for client sites, expos and launches.

Mobile Offices

A field workplace with benches, power and room to run the job.

Mobile Medical

A clinic that travels to patients, fitted around the care you deliver.

Mobile Classrooms

A teaching space with room for a class and a lift to the door.

Gas Testing

A lab van for on-site testing, with benches and cylinder storage.

Bus Conversions

A full bus fitted out from bare shell to finished interior.

Dog Grooming

Tubs, plumbing, ventilation and storage for working groomers.

Merchandise Vans

Retail and brand presence on the road for events and tours.

Fleet Solutions

Vehicles built to your brief, from one unit to a whole fleet.

Rental Fleets

Motorhomes for rental operators, ADR approved and VTA certified.
